

THE CHARLEROI MAIL

VOL. XVIII. NO. 86.

CHARLEROI, WASHINGTON CO., TUESDAY, SEPTEMBER 25, 1917.

ONE CENT

TO PREPARE PROGRAM FOR PLACING OF CORNER STONE

Council is Arranging for
That Ceremony at New
Boro Building

OTHER BUSINESS DISPOSED OF

A special meeting of borough council was held Monday evening with all members present except President Duvall and C. S. VanVoorhis. H. L. Swickey occupied the chair and was in charge of the business during the evening.

The contract for the laying of Lookout avenue, between Sixth and Eleventh streets was awarded to Hastings C. Piper, the price being approximately \$2100.

The contract for the laying of a sidewalk on a portion of Meadow avenue and Third street was awarded to Joseph DeGasper, his price being 21 1-2 cents per square foot.

The call for objections to the passage of the ordinance calling for the closing of a portion of Fourth street, between Lincoln avenue and Church alley was responded to by C. W. Stone, a resident of that locality. The ordinance will come up for final passage about the middle of October. It is contended that the portion of the street proposed to be vacated is so steep as to be unavailable for wagon or motor traffic. The borough, however, would leave a passage way 8 feet wide, on which a sidewalk would be constructed for the benefit of pedestrians.

A contract was ordered in favor of the Toronto Fire Clay company for \$179.20.

President protom Swickey appointed a committee composed of J. K. Mitchell, C. S. VanVoorhis and J. K. Hein to make the necessary arrangements for the laying of the corner stone of the new borough building. The foundation is almost completed and the committee is directed to prepare a special program for the placing of the corner stone.

The borough engineer was directed to put grade stakes on the west side of Meadow avenue, between Seventh and Eighth streets.

Mr. Swickey reported an opening that had been made on McKean avenue, between Fourth and Fifth streets, had not been properly repaired. The property owner was directed to be notified to make the necessary repairs within five days or the borough would do it at his expense.

STEAMER AND TOW STICK ON SAND BAR

The Steamer Vulcan and tow, while on the way down the river Saturday morning grounded on a sand bar opposite the Page mill at Monessen. Word was sent to Lock Four, from

ANOTHER PHYSICIAN ORDERED TO REPORT

Dr. Harry F. Bailey, of Monongahela, has been given a commission as First Lieutenant in the Medical Reserve Corps, and has been ordered to report in person to the commandant, Army Medical School, in Washington, for instruction. Six physicians of Monongahela are now in the Medical Reserve Corps, and all of them ordered to report for duty.

MAY CHARGE FOR HAULAGE

Price of Coal Has Been
Modified to Allow
Haulage Charges

WILL RELIEVE SITUATION

Pittsburg coal brokers were notified Monday evening by government authorities from Washington that hereafter they would be allowed to add a "reasonable amount" for loading coal.

This means that while the price of coal remains at \$2 per ton at the mine mouth, operators will be permitted to charge a reasonable sum to deliver coal to railroad sidings where cars may be located.

Immediately upon receipt of this advice brokers called all the smaller operators they could reach and informed them of the modification on the price question. This will have a tendency to stimulate the operations of the smaller mines, as it will permit operators to bargain with haulers for the delivery of coal, from the mine to railroad siding. This delivery price will likely vary with conditions, it being possible in some instances to load coal for a less price at some mines than others. This price even now varies, some haulers receiving as high as \$1.50 per ton, grading down from this price to about \$1.30.

If the railroads can deliver the cars to the wagon loaders from now on there will be quite an increase in the production of coal, which is badly needed on account of the near approach of the cold weather.

where aid was sent, and after a time the boat and tow were released. The pool was somewhat low because water had been drawn off to assist in the building of the crib for the break in the dam at No. 4.

The Katzenhammer Kids--"You Iss All
Right, Gran'pop; Go Right Ahead."

TOBACCO FUND IS GROWING DAILY

An appeal to mothers who have sons in military service to donate their bit, however small to the Mail Tobacco Fund for the American fighting men in France is contained in a letter from a mother who encloses 25 cents.

"I have a boy in the army, and I hope you will get lots of quarters from mothers who have soldier boys. It will make their hearts glad to get a few good smokes."

Donations will be received by the Mail from 25 cents and upwards. Each quarter buys 45 cents worth of tobacco through an arrangement with the American Tobacco company.

The following is a list of what each package contains: 2 packages of Lucy Strike cigarettes at 20c; 3 packages of Bull Durham, retails at 15 cents; 3 books Bull Durham Cigarette papers; 1 tin Tuxedo tobacco, retails at 10 cents; 4 books

TO HAVE CHARGE OF ENTERTAINMENTS

Rev. A. J. Whipkey, who recently resigned as pastor of the First Presbyterian church, has received an appointment as Superintendent of entertainments in the United States Army, and will be located at one of the big military encampments, in

charge of a series of entertainments which will be conducted over a period of sixteen weeks.

He will report for his new duties the first of next week, and Sunday next will be his last day as pastor of the local church. Rev. Whipkey has not yet been advised as to which cantonment he will be assigned but expects that information within a few days.

C. R. Newcomer was a business caller in Pittsburg Tuesday.

THIRTY PER CENT OF QUOTA WILL BE CALLED NEXT WEEK

QUIETLY MARRIED IN PITTSBURG

Miss Emma Edelman and Herwood Spencer, of Charleroi, were quietly married in the East End U. P. church, Pittsburg, by the Rev. John Young, pastor, on Friday last. After a short honeymoon trip which will be spent in Ohio, Mr. and Mrs. Spencer will return to Charleroi, where they will go to housekeeping.

SEASON WILL OPEN SATURDAY

Charleroi High Foot Ball
Team to Play West
Newton

HAVE A STRONG SCHEDULE

The Charleroi high school foot ball team will open its 1917 season on Saturday afternoon next with a game at West Newton, the high school team at that place being their opponents. On the following Saturday the team will play at Greensburg, after which, with but two exceptions, the remaining games will be played at home.

October 13, Pittsburg Academy; Oct. 20, Uniontown; Oct. 27, East Liberty Academy; November 3, game is pending with Connellsville; November 9, the team will play at Washington; November 17 is open; November 24, Monessen, and November 29 the team will close the season with the Donora high school team at Donora.

According to Assistant Coach Stahlman the team is in good shape for the season, at least the prospects are good. The team will be made up of the following players; Weaver at center; Trnavsky and Kibler at guards; Peluso, Pollock, Underwood and Smiley, tackles; Wagner, Parent, Booth and McKenna, ends; Carson, Quarterback; Lowstutter, fullback; Eagye and Glunt, half backs.

The team has been well equipped for the season and the players are putting in some strenuous practice, in order to be in the best possible condition for the opening game. West Newton has proved to be a troublesome opponent in past years, and the boys are taking nothing for granted. They want to hang up a good record this year, and will put up strong battles for every game.

Mrs. Emma Brinkman of Wilkinsburg is visiting with her niece Mrs. Louis Bertram of McKean avenue.

129 Men to be Summoned From the Fifth District for New Army

OCTOBER 3 THE DATE SET

According to plans announced by the war department, the Fifth district of Washington county will send only 30 per cent of its quota to Camp Sherman, Chillicothe, Ohio, on the third of October.

Originally the plans called for a 40 per cent contingent to leave on the above date, but for some season the number has been reduced. The order means that instead of sending 175 men next week, but 129 will be required to make up the quota.

The local board is already making arrangements to send the number required and if the district board has not passed a sufficient number of men, will do as it has done heretofore call for volunteers from among those who have been examined.

In the new orders which were issued on Monday it was further specified that only whites would entrain, it being the purpose of the war department to leave the colored draftees to the last, when they would be assigned to regiments which would be made up wholly of their own race, and to be trained at cantonments to be specified by the war department.

While these changes in orders will make it easier, yet the board will be obliged to make up the quota in some way. It is believed that the board will be able to make up the quota by calling upon the men who were formerly in the army, but in view of the fact that Charleroi and Donora have had opportunities of giving a farewell demonstration in honor of these departing draftees, it is not unlikely that Monongahela will be called upon to show the good will of that community toward the boys who are about to be called. This is a matter, however, that will be determined later.

SAYS WAR IS SAFER THAN MILL WORK

William N. Murphy of Uniontown, who is in France with the Fifteenth Engineers, in writing home says that it is safer there than it is in the steel mill at Monessen, where he formerly worked.

"THE LINKS"
 At the Battle of the Ancre

At last, the people of Charleroi can be assured of seeing this wonderful picture. A short time ago this newspaper announced its coming but thru a breach of contract on the part of Pathe, thru whom the picture is released, it failed to arrive."

You can rest assured now however, that it will be here as heretofore mentioned and being an official picture of the wierd-looking devastating monsters of modern warfare it is found to be a revelation to all, to say the least.

ADMISSION---Children 10c--Adults 25c

A black and white photograph showing a large, dense crowd of people gathered in an open field. The people are dressed in early 20th-century attire. In the background, there are some structures and trees. The entire photograph is enclosed within a thick black rectangular border. At the bottom center, there is a copyright notice.

Under scientific methods of warfare conceived by Gen. Verdur, leader of the French forces about Verdun, the new offensive in this sector has been carried on with training casualties. Following the recent drive which carried the French well into the territory occupied by the Germans, tactical detachments of the French were sent to replace the German troops. These remnants are shown in the picture. The French are training the little flock with the slogan and the hand "putting up" the marching line. They are leaving the inferno of the trenches to go to camps to recuperate for the next offensive. The title of the French at Verdun during the past few weeks has been an innovation in trench fighting, the troops working

The total vote cast on the non-partisan ticket in Washington county for Judge J. A. McIlvaine for judge of the superior court of Washington was 9,211. The largest part of a candidate in the non-partisan ticket receives the support of a small number of voters. The number of the name is listed only on the ballot and not on the list of the electors. It is the estimated that the total vote cast Wednesday for all parties will not exceed 12,000, whereas it should reach 175,000 for Judge McIlvaine will have 12,000.

There are five precincts in Washington County, and returns have been made of all except two, Fallow and Third, which are Brown. Those at the other boards of all precincts failed to make a return of the non-partisan votes cast. These are as follows: Amwell, first; Oak, fifth; Independence, first; Midway, Mr. Pleasant, second; Smith, first; Somerset, third; South Strabane, fourth; Washington, first ward, second precinct; Wasamington, Third ward, second precinct; Washington, Eighth ward, first precinct.

There was no organized opposition to Judge McVaine and his name was the only one appearing on the non-partisan ballot. However, the names of several others were written on the return sheets from a number of precincts. One vote was cast in New Eagle for County Commissioner John O. Watson for judge, while Attorney Vernon Hazzard received several in Monongahela. Five votes were cast for John C. Rogers in Fallersfield township where he lives. Mr. Rogers is a member of the Illinois bar but does not practice in this county. Scattered votes of one were cast for several others in various precincts of the county. This means that Judge J. A. McVaine will be elected judge of the courts of Washington county for the fourth consecutive year. This position of

John Flaherty Tells How Nerv- Worth "Put Me on My Feet."

The high value of this recently given signed endorsement strikingly appears in its closing words: "ANYONE WANTING ME TO VERIFY. THIS. STATEMENT, I WILL CHEERFULLY DO IT BY LETTER OR IN PERSON."

Now read the entire remarkable array of facts:

"I want to tell everybody about the good Nerv-Worth did me. I had a severe attack of the gripe, which left me in a nervous and weakened condition. I was so nervous I could not sleep and get any rest. I was unable to work and was in bad shape. All run down. Had no appetite. Stomach in bad condition. I purchased a bottle of Nerv-Worth and before I had taken one-half of it, the nervousness left me and I could sleep soundly and get rest. I regained my vigor and today am in excellent health. I am employed in the Whiteaker-Glessner Co's sheet mill and never miss a day now. Nerv-Worth certainly put me on my feet. Anyone wanting me to verify this statement I will cheerfully do it. By letter or in person.

John Flaherty."

Monday evening George Egan, one of the most accomplished actors of the American stage, was presented in "Seven Keys To Bonaparte" at the Gayle theatre. The picture has since then have been one of the best productions ever staged, found his employment of the high class. It will be repeated this evening Thursday and Friday "Billie" Burke will appear in "The Mysterious Miss Terry". Another production that has been looked for the near future is "The Birth of a Nation."

The final local baseball game of the season will take place next Saturday afternoon at the Cherokee club, beginning at 3:30 o'clock. The Steel Products team, the local champions, will meet a team of All-Stars known as "Spencer" Kelly of the Pittsburgh Steel team is getting together a "star" promise to make "some" money and says he already has Carmichael and says he already has Carmichael. Bill, the Negro leaved pitcher who has been a great success with Birmingham in the Southern League and who is on the payroll of the Pittsburgh Pirates, and "Katie" Kieffer, who pitched the season just closed for Worcester in the Eastern League, as moundsmen, with Kelly as catcher of the side. It will have players selected from the Monongahela and Allegheny valley to make up the balance of the team, and it promises to be a strong one. On the other hand Manager Regester and Captain Phillips will depend on their usual line-up, with Diechner, Rapp, Jamison, Guder or Moody on the firing line. If there is favorable weather the contest promises to be one of the most interesting played this season in the local park.

The one hundredth anniversary of James Chapel, at one time known as the old Stone church, will be observed on Thursday, the 27th inst. James Chapel is located in the vicinity of Gastonville, and is about three miles from Finleyville. The service for the day will be in charge of Rev. T. F. Pershing, the oldest living pastor, who served at James Chapel, having had that church in his charge in 1876. The opening service will take place at 10 o'clock in the morning, and at intervals.

transportation to all of the old parishioners who expect to attend these services. James Chapel is one of the best known Methodist churches in the eastern part of Washington county, and the anniversary services will undoubtedly call out a large number of those who were former attendants of worship there.

Tomorrow and Thursday "The Tanks", as they were in action at the Battle of Ancre will be shown at the Majestic theatre. The picture was scheduled to be shown several weeks ago but had to be postponed until now. The Tanks, are the most wonderful and one of the most wierd looking machines used in modern warfare. Annette Kellerman, will be shown in "The Daughter of the Gods" Wednesday, Octobr 3. The cost to produce the picture was more than a million dollars and twenty one thousand people were used in the various scenes.

A wedding of much interest took place at the home of the bride's parents Mr. and Mrs. Charles Brown of North Charleroi Monday evening at 8 o'clock, when Miss Elsie J. Brown and Charles N. Heath were united in wedlock. The ceremony was performed by Rev. C. P. Bastian, pastor of the Christ Lutheran church, of which the bride is a member. Mr. Heath was formerly of Charleroi but is now connected with the Special Bible company. After a few days stay with the bride's parents the couple will leave for Frostburg, Md., where they will make their home. Out of town guests were from Lock No. Eight and Braddock. The parents of the bride were married 23 years ago Monday evening at eight o'clock at Lock No. Eight, Fayette County.

Mr. and Mrs. Burd held a surprise party in honor of the birth of their daughter, Mildred. Her godmothers included Mrs. Garber, Goldsmith, Vera Crawford, Alice Jack, Fehr Stambaugh, Elizabeth Scandal, Jean Swenson, Lillian Calvert, Gladys Woodward, Edna May Millinger, Hattie Burd, Evelyn Baker, Jane Osborne Ruth Burr and Crystal Gable.

At the setting of the sun this evening Jews everywhere will begin the twenty-four hours observance of the holiest day in their religious calendar, Yom Kippur, (Day of Atonement,) is the great fast of Israel for Orthodox and Reform alike, who feel the throbs of Israel's historical consciousness. It is Israel's Sabbath of Sabbaths and it has a firm hold on the Jew because its noble poetry appeals to his soul and gives voice to his faith.

The fundamental concepts of the Christian are: Sin is not master of man. Man is born pure and innocent, endowed with the capacity to become God-like. The Day of Atonement expiates sins between man and his maker, but for sins between man and man the condition precedent to atonement is the reless of the injury. Man must be reconciled with the neighbor he has wronged before he can ask pardon of God.

The devout Jew spends the entire day in the synagog. A memorial service in memory of the departed, including the great servants of humanity, forms an important part of the solemn atonement service.

A meeting of the Child Welfare League will be held Wednesday afternoon, at 2:30 o'clock, at the home of Mrs. C. F. Strahman.

FOG DELAYS BOATS IN THE TOWING TRADE

The heavy fogs of the past week have been playing havoc with the schedules of the steamboats employed in the local towing trade. Generally speaking the towing steamers in the pool trade make regular runs, and can be depended upon to keep fairly within the schedule they set out to observe. However the fogs which are so prevalent at this time compels boats to go to the bank, there to wait until the atmosphere clears. Steamers will have to contend with this condition until the water becomes much colder, and takes on the same temperature as the atmosphere.

STEEL PRICES ARE VERY MUCH REDUCED

The government has set the price of iron and steel products, cutting the former figures in about half. According to reports steel men are said to express themselves as being satisfied with the figures set by the government, which, while doing away with the great profits of the past year, will allow a very handsome margin on all mill production. As compared with prices of former years the new figures show a considerable advance, being about 60 per cent in advance of these of 1914 and about 50 per cent over those of 1915, these advances being based on the selling price of pig iron.

FOREIGNERS A PROBLEM TO MILITARY OFFICERS

Reports from Camp Sherman indicate that quite a number of men from the Fifth district and from the neighborhood of Avella, who are of foreign birth, are giving the officers a great deal of trouble. The men do not understand the English language and it is probable they will have to be sent to a school which will soon be opened to teach the foreigners English. Most of these men come from Donora, while others are from the district in the northern part of the county.

AFTER THIRTY YEARS OF MISERY MRS. SITES REJOICES

Chambersburg Lady at Last Finds Relief From Stomach Ills.

For thirty long years I have been tortured with stomach trouble that at times almost drove me frantic," said Mrs. Barbara A. Sites, 121 Loudon street, Chambersburg, Pa., in telling of her remarkable recovery through taking Tanlac.

"Every meal I tried to eat upset my stomach, causing gas to accumulate a bloated feeling and pains in that organ. Until I was able to belch off all the gas from my stomach I would be in misery.

"This condition finally caused my nerves to become unstrung and interfered with my sleeping properly. It was not uncommon for me to wake up in the night and lay awake for hours at a time. In the morning I would get up feeling tired and worn out. I could hardly drag myself about my housework. Rheumatism set in recently and pains in my back, arms and limbs added to my discomfort.

"I heard so many good reports about Tanlac that I decided to give it a good fair trial. From the very start Tanlac increased my appetite. My food supplies my system with the proper strength and nourishment. My nerves are getting back to their normal condition and I sleep much better at nights. That tired feeling is a thing of the past. I am so thankful that I found Tanlac."

Tanlac is now being sold here by Pipers Pharmacy.

COMPOSITION OF NEW REGIMENTS

The reorganization of the Twenty-eighth Division, composed entirely of Pennsylvania troops, naturally calls attention to the system under which the armies of the United States will campaign in France and the make of the new regiments is of interest.

Under this new arrangement the various regiments will be made of the following units, with the number of men for each specified:

1 headquarters and company.....303
3 battalions of 4 rifle Cos. each.....3,078
1 supply company.....140
1 machine gun company.....178
1 medical detachment.....56

Total.....3,765

Each company has a strength of 250 men and 6 officers. It is composed of a company headquarters (2 officers and 18 men) and four platoons. Each platoon includes:

1 headquarters.....22
1 section bombers and rifle grenadiers.....22
2 sections rifemen (12 each).....24
1 section auto rifemen (4 guns).....11

Total.....59

The machine gun company has 6 officers and 172 men. It consists of the headquarters (3 officers and 21 men), 3 platoons each with 1 officer and 46 men; and a train, (13 men.) Its armament is 12 machine guns of heavy type and 4 spare guns.

The transportation equipment of the regiment is:

22 combat wagons.
16 rolling kitchens
22 baggage and ration wagons.
16 ration carts.
15 water carts.
3 medical carts.
24 machine-gun carts
59 riding horses.
8 riding mules.
332 draft mules
2 motor cycles with side cars.
1 motor car.
42 bicycles.

THE GROWING GIRL

A girl when in her teens is passing through a critical period of her life. The transition from childhood to maturity is not always easy; consequently in many cases health breaks down entirely and the girl goes into a decline and dies young. If she escapes this fate, she may fall into a state of permanent ill-health. It is of the utmost importance, in order to insure normal and healthy development that proper precautions be taken, and nothing has proved more helpful than the faithful use of Lydia E. Pinkham's Vegetable Compound, the great woman's medicine and tonic.

"Gee, I wish I had a Smoke"

That's what our boys are saying who are "over there" and fighting for you so that this world may be a better place for you to live in. Will you supply your soldier friend with his favorite smoke and satisfy his longing? He is doing his bit---will you do yours? Sending tobacco to our boys is almost as important as rolling bandages or producing munitions, as far as their comfort is concerned.

THE CHARLEROI MAIL'S TOBACCO FUND

has just been started, to supply our boys with their favorite smoke. Will you help to make it a success? This has been endorsed by the Government. Through the efforts of this paper, arrangements have been made with The American Tobacco Company to send 45c worth of tobacco for 25c.

Here is what they will get:

2 packages of Lucky Strike Cigarettes.	Retails at 20c
3 packages of Bull Durham	" " 15c
3 books Bull Durham Cigarette Papers	
1 tin of Tuxedo Tobacco	Retails at 10c
4 books of Tuxedo Cigarette Papers	45c

A return post card is enclosed in each package, so that every contributor will receive a personal acknowledgment of his gift. You will treasure this message from the trenches. Everybody wants to give a little. Will you help make it a success by doing your bit?

Contribute! Organize your club, your church, your town, your office, the boys just a little comfort--their favorite smoke.

With Aid of Taxidermist, French Hide Battery in Pastoral Scene by Camouflage

How artfully have the French concealed a battery in this bucolic spot on the western front by placing there a crudely fashioned cow, the product of a field taxidermist. It is in this country that the German airmen have made some of their most effective attacks of late. In order to hide from piercing enemy eyes that look from the skies the French have contrived this form of camouflage. The battery is entirely hidden by a green cloth, draping over which is scattered leaves and boughs. The artificial cow (its tail wags and its head moves) has been set up on stilts from below. During an attack the drums and the guns brought into action.

ter Mary, who is in the Columbia hospital. She underwent an operation, out of town guest was Mrs. J. C. and is getting along as well as could be expected.
